

The Capstone Presentations

This is the fourth year that capstone presentations have been held on the Eastern Kentucky University campus. Historically, disciplines within the College have been project and hands-on oriented which provided opportunities for students to display their knowledge and polish their presentation skills. This is also an opportunity to demonstrate and celebrate the diversity of programs within the College.

Students making capstone presentations are selected by departmental faculty and are considered to be the best of presenters for that semester. Occasionally, departments hold competitions in order to determine the representatives.

The Capstone Presentations are open to the public. Students, faculty, administrators, parents, and friends are encouraged to attend.

Dr. Glen Kleine, 1999

Dr. Glen Kleine Capstone Presentations College of Business and Technology

Spring Semester

Thursday, April 26, 2001

6:00 to 8:30 p.m.
